In the event that occurs, the Individual Employer shall be liable for full fringes plus twenty-five percent (25%).
- 04.04.07** Owner-Operators shall not be subject to the provisions of Sections 04.06.00 through 04.12.00 or be considered an Employee for the purposes of 04.10.24(ii) of the Job Placement Regulations of this Agreement, provided the Job Placement Center servicing the job or project shall be notified of the name, address and Social Security Number of the Owner-Operator within twenty-four (24) hours after the Owner-Operator reports for work regardless of how long he works.

payment of an amount equal to the wages, straight time and overtime, and fringe benefits that would have been paid by the Individual Employer but for the violation plus twenty-five percent (25%). Such liability shall be for not more than the sixty (60) day period prior to written notification by the Union to the Individual Employer and Employer notwithstanding any other provision of said Section 18.04.00. Provided, however, if said Individual Employer can establish from records maintained in the normal course of business that the Job Placement Center has received the required twenty-four (24)-hour notice and is subsequently found to be in violation, the Individual Employer's liability for payment under Section 18.04.00 shall be limited to fringe benefits only for not more than the sixty (60) day period prior to written notification by the Union to the Individual Employer and the Employer. Of the liquidated damages provided for in this Section, an amount equal to the amount of the fringe benefits, if any, that should have been paid but were not, shall be credited to the Owner-Operator; the balance shall be paid into the Operating Engineers' Pre-Apprentice, Apprentice and Journeyman Affirmative Action Training Fund.

- 04.04.09** The Individual Employer who utilizes an Owner-Operator shall provide, upon the request of any authorized agent of the Union, copies or original records made reflecting the hours worked, equipment used, and payments made by the Individual Employer to the Owner-Operator and on the Owner-Operator's behalf.
- 04.04.10** The Individual Employer expressly reserves the right to control the details of the manner, time and means by which the Owner-Operator performs his services, as well as the ends to be accomplished, and shall be the sole judge of the capability of the Owner-Operator's equipment to perform the work required to be performed, and may, if the Individual Employer determined that the Owner-Operator's equipment is not capable of performing the work required to be performed, terminate such Owner-Operator's services. Failure to work the day or half-day out as directed shall terminate the Owner-Operator's employment, and he shall be paid only for actual time worked prior to such failure. The Individual Employer shall not pay for time spent by the Owner-Operator in repairing, servicing or maintaining his equipment after termination of employment, or before or after his shift, as the case may be.
- 04.04.11** Any Owner-Operator who employs Operating Engineers under a subcontract with an Individual Employer signatory to a collective bargaining agreement with the Union shall comply with the terms of Section 05.00.00.
- 04.04.12** If an Owner-Operator who meets the criteria set forth in 04.04.04 above elects not to go on the payroll of the Individual Employer, the parties agree that the Owner-Operator shall be compensated in an amount equal to the total hourly compensation rate that would have been paid an Employee of the Individual Employer performing similar work plus a reasonable rate for rental of the Owner-Operator's equipment. For the purpose of this provision, the total hourly compensation rate referenced above shall include the

applicable wage rate plus the amount that would have been contributed on an Employee's behalf to the Pension Trust Fund, Health and Welfare Trust Fund and Vacation and Holiday Pay Plan.

- 04.04.13** Any Owner-Operator who has elected to go on the payroll of the Individual Employer shall be governed by the terms of this Agreement as written, and each such Owner-Operator must specifically waive any claim of exemption from any provision of said Agreement based upon an assertion of independent contractor status. - 04.04.16** There shall be no interest or handling charge on earned money advanced prior to the regular payday.
- 04.04.17** The provisions of this Section have been negotiated and agreed upon by and between the parties for the objects and purposes expressed in 04.04.19. The parties have not undertaken to negotiate for the Owner-Operator Employees any profit whatsoever for the leasing and rental of the equipment they operate. On the contrary, compensation for the equipment shall be set by agreement between the Individual Employer and the Owner- Operator at a level which will not circumvent or defeat the payment of wages and fringe benefit payments and conditions of any Employee covered by this Agreement.
- 04.04.18** There shall be no reductions by reason of the signing of this Agreement where the present basis of payment is more favorable to the Owner-Operator than the basis provided for herein.
- 04.04.19** It is further mutually understood and agreed that the intent of this Section is to assure the payment of wages, subsistence and fringe benefit payments and the observance of the conditions provided in this Agreement, and to prohibit the making and carrying out of any plan, scheme or device to circumvent or defeat the payment of wages, subsistence and fringe benefit payments and the observance of the conditions provided in this Agreement.

- 04.04.20** It is further agreed that the Individual Employer will not devise or put into operation any scheme, whether herein enumerated or not, to defeat the terms of this Section of this Agreement, nor shall any Owner-Operator's arrangement with an Individual Employer be entered into for the purpose of depriving any other Employee of employment. In the event that the Individual Employer has available equipment on the job during the period of the repair of the Owner-Operator's equipment, and for a period not to exceed two (2) shifts and so long as no other Employee is laid off to provide work for such equipment, an Owner- Operator may be assigned to operate equipment not furnished by him, but except under such circumstances the Owner-Operator shall be exclusively assigned to the equipment furnished by him.

04.07.20 The Agreement between the Union and the Individual Employer is hereby modified to equate employment or experience of a minority person as an employee in any one or more work or equipment classifications covered by this Agreement on the type or kind of craft work covered by the Agreement, or reasonably related to the type or kind of craft work covered by the Agreement, regardless of the geographical location of such employment or experience with employment credits for the purpose of determining A, B, or C Journeyman hiring status as described in 04.07.00 et seq. of the Regulations. With respect to minorities, such employment and experience shall include, but not be limited to, self-employment and experience gained in the Armed Services of the United States. Furthermore, and with respect to all Journeymen applicants for work referral, the aforementioned sections of the Regulations are hereby modified so that in determining A,B, or C hiring status the total number of employment credits gained as a Journeyman Operating Engineer in the three years preceding registration is considered, irrespective of whether they were in consecutive years, provided, however, the geographical limitations presently in the Job Placement Regulations shall with respect to non-minorities remain in full force and effect. Any applicant with at least three employment credits (i.e., 1050 hours) gained at any time in the three years preceding registration shall be classified as an A Operating Engineer. Any applicant with at least one employment credit (i.e., 350 hours) gained at any time within the year preceding registration shall be classified as a B Operating Engineer. 04.07.21 All new applicants for work referral shall complete an application form to be supplied at the various Job Placement Centers, on which shall be set forth a brief description of the applicant's previous experience including the names of previous employers, their addresses, dates of past employment, and type of equipment operated for such employers, and the type and kind of work performed. Subject to the provisions of 04.06.03 there shall be no further conditions precedent to an applicant's classification as either an A or B, or C Operating Engineer, or placement of his or her name on the out-of-work list or his or her actual referral to work. However, in the event that the information furnished on the application is found to be materially false by the JAC, an applicant's name may be stricken from the list. Furthermore, any applicant, who registers for work referral for the first time after the effective date of this order and who is referred to work and subsequently discharged or not hired by the employer, because of an inability to competently operate the equipment for which he or she was first dispatched, and is discharged or not hired for the same reason on his or her second dispatch, shall have his name stricken from the work registration lists. If an applicant's name is stricken the matter shall be referred to the JAC for review and it may after evaluating available information require reinstatement of the individual on the out-of work list or advise the individual of his or her opportunity to apply for admission pursuant to the current selection procedures of the apprenticeship program, as the circumstances may require.

04.08.00 JOB PLACEMENT CENTER PROCEDURES

04.08.01 In dispatching, each Job Placement Center shall first dispatch by classification Class A Employees who may be unemployed and registered for work in the Center dispatching, and thereafter by classification, Class B Employees who may be unemployed and registered for work in the Center dispatching, and thereafter by classification, applicants who have registered for employment in the Center dispatching under 04.08.04 hereof. Thereafter, upon written request of an Individual Employer, signed by

the senior representative of the Individual Employer on a job or project, and delivered to the Job Placement Center servicing such job or project stating that such Individual Employer desires that a named person or persons be dispatched in a classification or classifications agreed to at such pre-job conference, such person or persons shall be dispatched without regard to 04.07.00 or 04.08.01 of these Job Placement Regulations, and the Individual Employer shall hire such person or persons dispatched.

In all cases in which an Employee or applicant fails to report to work on the shift to which dispatched, or within the time agreed to, without good cause thereof, or reporting for work on the shift to which dispatched or within the time agreed to, refuses to accept employment and go to work, such Employee or applicant shall, unless he has refused three (3) prior dispatches, retain his place on the list but shall not be eligible for dispatch for thirty (30) days from the date of the dispatch, and if such Employee or applicant has refused three (3) dispatches, his name shall be placed at the bottom of the list and he shall not be

dispatched for thirty (30) days from the date of the dispatch. Where an Employee or applicant is requested by Individual Employer to be dispatched on the day of the request, and the Employee or applicant does report for work that same day, he shall be paid for his full shift if he reports during the first half of the shift and works the balance of the shift or for the half shift if he reports during the second half of the shift and works the balance of the shift. Refusal to accept employment under any of the addenda to this Agreement shall not constitute a refusal of dispatch for the purposes of this Section.

04.09.00 NON-DISCRIMINATORY OPERATION

04.09.01 The Union will conduct such registration facilities and operate such Job Placement Centers without discrimination either in favor of or against Employees or applicants for employment or any of them by reason of sex, age, race, color, religion, national origin or handicap or of membership or non- membership in any union, or by reason of acting on behalf of or in opposition to any union, except to the extent that membership in the Union shall be a condition of employment as provided in these Job Placement Regulations. The Union recognizes its obligations and therefore assumes full responsibility to each Employee or applicant for employment for any loss or damage resulting from any such discrimination or other violation of law by the Union. The Individual Employer shall not discriminate either in favor of or against Employees or applicants for employment or any of them by reason of sex, race, national origin, color, religion, age, handicap or membership or non-membership in any union, or by reason of acting on behalf of or in opposition to any union, except to the extent that membership in the Union shall be a condition of employment as provided in these Job Placement Regulations. - iii) An Employee currently receiving a Pension from the Operating Engineers Pension Trust Fund who is
 - 1. age 62 years or over;
 - 2. is requested to work during the months of April through November of any calendar year;

An Employee shall establish that he has had ten (10) years of such employment by any objective criteria (i.e., Pension Credits, letter(s) from Individual Employer(s) or employer(s), other than a union membership record. - (2) Five (5) year letter: Registrant is qualified to register on the Preferred List, meets the requirements of Section 04.10.03(b) of these Regulations, and is eligible for a five (5) year letter for employment as set forth in 04.10.24(ii) above.

NOTE: The parties hereto hereby agree that the intent of Section 04.10.24 is that the language in (ii) beginning "such Job Placement Center..." applies to both (I) and (ii). As such, there is no requirement that an Individual Employer insert a sentence on a "10 year letter" to the effect that "no Employee shall be laid off or discharged to make room for such named employee" since that language is in the Agreement.

04.10.25 In the event the named Employee is not registered or not available for work or not willing to accept a dispatch at the time of the receipt of a written request under 04.10.24, the Job Placement Center shall so notify the Individual Employer as soon as possible, and the forty-eight (48)-hour period provided in 04.06.07 shall not commence to run until receipt by the Job Placement Center of either a request for an unnamed Employee by classification or a further request under 04.10.24 for a named Employee who is registered and available for work at the time of the receipt of the written request or a request under subsection 04.10.27.

04.10.26 For all purposes of 04.10.24, employment by a joint venture on work for which an Individual Employer party to such joint venture is responsible to such joint venture shall be considered employment by such Individual Employer.

NOTE: This 04.10.26 is to be interpreted to mean that for the purposes of 04.10.24(ii), any partner of a Joint Venture which has or will incur joint and several liability for the project of the Joint Venture, may write a five-year letter for that project for any former or current Employee of any of the partners to that Joint Venture, and subsequent to the Joint Venture, for any Employee that was employed by any partner on the Joint Venture.

04.10.27 Upon written request of an Individual Employer, signed by the senior representative of the Individual Employer on a project and delivered to the Job Placement Center servicing such job or project stating that such Individual Employer desires an Employee in a particular classification who has had either

- (i) a specified number of months' or years' (not to exceed, however, twenty-four (24) months or two (2) years) experience on a particular type of equipment or
- (ii) a specified number of months' or years' (not to exceed, however, twenty-four (24) months or two (2) years) experience on a particular type of work, or both,

The Job Placement Center shall contact, if available, the Employees in that classification registered and available for the work in the order in which they would be dispatched under 04.10.12 and 04.10.14 of these Regulations and inquire of the Employee as to his experience under (i) and (ii), and the Job Placement Center shall dispatch the first (1st) such Employee who advises the Job Placement Center that he has such experience and is willing to accept a dispatch.

- 04.10.28** In the event no Employee with the requisite experience is available, the Individual Employer ordering such Employee shall not be free to hire directly an Employee to operate such piece of equipment or perform such work who has had less experience than the experience called for in the order.
- 04.10.29** In the case of two (2) or more pieces of new equipment (that is, types of equipment developed to which present classifications and working rules are not fairly applicable) not previously used in Northern California, the number of months' experience on such new equipment which may be specified in the request shall be six (6) months less than the number of months the two (2) or more pieces of new equipment have been used in Northern California.
- 04.10.30** When an Individual Employer places an order for an Employee in a classification for which Preferred registrations are permitted under 04.10.02 and 04.10.03 of these Job Placement Regulations, the Job Placement Center shall endeavor to fill the request in the manner provided in 04.10.38 hereof.
- 04.10.31** Employees who are laid off because a job or project is temporarily shut down because of weather, lack of material or other reasons beyond the control of the Individual Employer, and who do not accept a dispatch to a job other than one to which the short duration rule has applied, shall, on the resumption of the job or project within six (6) calendar months of being shut down, be dispatched to such job or project as called for by the Individual Employer by name.
- 04.10.32** In the event such recalled Employee is on the job without a current dispatch, the Individual Employer shall, on the day such recalled Employee reports on the job or project, notify the appropriate Job Placement Center by mailing to it a form supplied by the Job Placement Center, signed by such Individual Employer or such Individual Employer's senior representative on the job or project, stating that the named Employee was laid off by such Individual Employer within the preceding six (6) consecutive calendar months and that, so far as the Individual Employer knows, the named Employee has not accepted a dispatch to a job or jobs, other than a job or jobs to which the "short duration rule" applies since the Employee's layoff and in addition, set forth recalled Employee's classification code number and ethnic derivation. The recall slip is to be counter-signed by the Employee.

- 04.10.33** An Employee whose last employment was of short duration shall be restored to his original place on the list, or lists, on which he was registered at the time of his last dispatch, provided he notifies the respective Job Placement Center(s) of his availability for work not later than noon of the day following the termination of such employment.
- 04.10.34** Any Employee lawfully withdrawn or lawfully refusing to perform work on any job or project shall have the right, upon termination of the withdrawal or refusal to perform work to return to active employment on such job or project. If withdrawn, he shall notify the Job Placement Center of the name of the Individual Employer for whom he is returning to work before returning to work.
- 04.10.35** Key men in classifications agreed to in a pre-job conference shall be dispatched as requested in accordance with the agreement reached at the pre-job conference.
- 04.10.36** When an Individual Employer rents or leases equipment, a Class A Employee of the lessor operating the equipment may be transferred to the payroll of the lessee, but shall be considered an Employee of the lessor for the purposes of these non-discriminatory job placement procedures and shall have been in the employ of the lessor, or a lessee of the lessor, for the five (5) working days next preceding the date of the rental of the equipment, and the Job Placement Center servicing the job or project on which such equipment is to be used is notified in writing by the lessee before twelve (12) o'clock noon of the day prior to the first (1st) day such equipment is to be used on the job or project, and provided further that such Employee's employment by the lessee shall terminate upon the termination of the lease or rental of the equipment, or any replacement thereof, whichever is later.
- 04.10.37** A Class A Employee or Employees who has, or have, been on the payroll of the Individual Employer for the five (5) workdays next preceding transfer may be transferred by such Individual Employer to employment on a joint venture job or project to which such Individual Employer is party, provided that for the purposes of these non-discriminatory job placement procedures such Employee or Employees shall continue to be considered employed by such Individual Employer while employed by such joint venture.
- 04.10.38** When an order for an Employee in a recognized Preferred classification is placed, the Job Placement Center shall first attempt to fill such request with an Employee who has made a Preferred registration, contacting such persons in the order provided in 04.10.14 of these Job Placement Regulations. Then, if unable to fill the request with such an Employee, the Job Placement Center will endeavor to fill the request in the manner provided in 04.10.14 of these Job Placement Regulations.
- 04.10.39** The Individual Employer may reject any Employee or applicant for employment dispatched by a Job Placement Center; provided, however, that any such Employee or

applicant reporting for work at the agreed time and the designated place and rejected by the Individual Employer shall be entitled to show-up time in the amount provided in 06.21.00 of this Agreement unless such Employee or applicant is rejected because he reported in a condition unfit for work or because he had been discharged for cause by the Individual Employer within twelve (12) months next preceding the date of such reporting for work, or if requested under 04.10.27 of these Job Placement Regulations, because he in fact does not have the experience specified in the Individual Employer's request, or because he does not possess the qualifications as set forth in 04.01.01 of the main body of the Agreement.

04.10.40 The Union and each Job Placement Center of the Union, in carrying out the provisions of this Agreement with respect to job placement (Job Placement Regulations of this Agreement) and the registration and dispatch of Employees and applicants will not discriminate either in favor of or against such Employees or applicants by reason of sex, age, race, color, religion, national origin, handicap or membership or non-membership in any union, or by reason of activity on behalf of or in opposition to any union, nor shall the carrying out of the provisions of this Agreement with respect to job placement (Job Placement Regulations of this Agreement) and the registration and dispatch of Employees and applicants be based on, or in any way affected by sex, age, race, color, religion, national origin, handicap or union membership, by-laws, rules, regulations, constitutional provisions or any other aspect or obligation of union membership, policies or requirements, except to the extent that membership in the Union shall be a condition of employment as provided in 04.02.00 of this Agreement. The Individual Employer shall not discriminate either in favor of or against Employees or applicants for employment or any of them by reason of sex, race, national origin, color, religion, age, handicap or membership or non-membership in any union, or by reason of acting on behalf of or in opposition to any union, except to the extent that membership in the Union shall be a condition of employment as provided in 04.02.00 of this Agreement. This Section shall also apply to those persons covered by the Vietnam Era Veterans Readjustment Assistance Act of 1972.

04.10.41 Upon being dispatched, the Employee or applicant shall proceed to the job at once. When call is made to a Job Placement Center for men to report to work on the day of request, a reasonable time shall be allowed for men traveling from the Job Placement Center to jobsite.

04.10.42 In all cases in which an Employee or applicant fails to pick up his dispatch at the agreed-on time with the dispatcher or fails to report for work on the shift to which dispatched, or within the time agreed to, without good cause therefore, or reporting for work on the shift to which dispatched or within the time agreed to refuses to accept employment and go to work, such Employee or applicant shall, unless he has refused three (3) prior dispatches, retain his place on the list but shall not be eligible for dispatch for thirty (30) days from the date of the dispatch, and if such Employee or applicant has

refused three (3) dispatches, his name shall be placed at the bottom of the list and he shall not be dispatched for thirty (30) days from the date of the dispatch. When an Employee or applicant is requested by Individual Employer to be dispatched on the day of the request, and the Employee or applicant does report for work that same day, he shall be paid for his full shift if he reports during the first half of the shift and works the balance of the shift or for the half-shift if he reports during the second half of the shift and works the balance of the shift.

04.10.43 Any Employee or applicant for employment aggrieved by the operation of the registration facilities or Job Placement Center of the Union or these Regulations as applied to him has the right to submit his grievance to the Committee provided for in 04.11.00 of these Job Placement Regulations, provided that such submission is made in writing within ten (10) days after the occurrence of the grievance. The Committee shall have full power to adjust the grievance and its decision thereon shall be final and binding upon the Employee or applicant for employment and upon all other parties hereto.

04.10.44 In the event of a deadlock, either party may request the appointment of a seventh (7th) member who shall have no business or financial connection with either party. In the event said members are unable unanimously to agree upon the identity of said seventh (7th) member, the choice shall be made by either party requesting the Federal Mediation and Conciliation Service to submit a list of five (5) arbitrators from which the said seventh (7th) member shall be chosen by each party striking two (2) names from said list, the arbitrator whose name then remains becoming the said seventh (7th) member. The matter shall then proceed to arbitration before the Committee as so composed with all due expedition. The decision of said Committee shall be determined by a majority of its members and shall be rendered within ten (10) days after such submission. Said decision shall be within the scope and terms of these Job Placement Regulations and shall be final and binding on all parties hereto. Pending such decision, work shall be continued in accordance with the provisions of this Agreement. The expense of employing said seventh (7th) person shall be borne equally by both parties.

04.10.45 Forms for the submission of such grievance shall be available at all times in each Job Placement Center.

04.10.46 These Regulations, including the special provisions governing specific Job Placement Centers referred to in 04.10.13 of these Regulations, shall be posted on the bulletin board in each Union Job Placement Center and the bulletin board of the Individual Employer where notices to Employees and applicants for employment are posted.

04.11.00 COMMITTEE

04.11.01 There shall be a Committee composed of three (3) members appointed by the collective bargaining representative of the Employer and three (3) members appointed by the Union, which Committee shall operate by majority rule and shall have the authority to make such changes in the job placement procedures as from time to time may be administratively advisable, desirable, or necessary to the end that the foregoing non-discriminatory job placement provisions will be operated as efficiently and accurately as possible.

04.12.00 INTERPRETATION

04.12.01 Disputes, complaints or grievances concerning the interpretation of any of the provisions of these Job Placement Regulations, adopted by the Union, at the request of the Employer only, shall be subject to arbitration by the Committee provided for in 04.11.00 of these Job Placement Regulations, in accordance with the procedures set forth in 04.10.43 of these Job Placement Regulations. In such an arbitration initiated by the Employer, the assumption of responsibility set out in 04.09.01 of these Job Placement Regulations shall be inoperative as to past periods to the extent that the interpretation established by the arbitration is in conflict with the interpretation contended for by the Union.

LETTER OF AGREEMENT

All required records shall be retained by the JPC pursuant to I.R.C.A. and shall be available to an Individual Employer for its information and use.

Any Individual Employer shall have the option, upon notification to the appropriate JPC, to perform the required verification process directly. In such event the terms of the Agreement shall not apply to that Individual Employer.

Upon notification by either party to the other or a determination by a court of law and/or the I.N.S. that this Agreement in whole or in part is improper, illegal and/or unenforceable, said notice and/or determination shall serve to terminate this Agreement immediately. Should this Agreement or any part thereof be found to be unenforceable or illegal the parties shall meet to address said issues and attempt correction of any defects within thirty (30) calendar days from said notification.

In the event this Agreement is terminated, copies of all pertinent records required by Individual Employers for compliance with I.R.C.A. shall be provided by the appropriate JPCs.

Therefore, it is agreed that the amount of damage resulting from any such failure shall be by way of liquidated damages and not as a penalty to each such Trust the sum of thirty-five dollars (\$35.00) or fifteen percent (15%) of the amount due and unpaid to each such Trust, whichever is greater, for each failure to pay in full within the time provided. 12.13.02 If any Individual Employer defaults in the making of such payments and if either the Union, the Trusts or the plan, or any of them, consults or causes to be consulted legal counsel with respect thereto, or files or causes to be filed any suit or claim with respect thereto, there shall be added to the obligation of the Employer who is in default all reasonable expenses incurred by the Union and the Trust in the collection of same, including but not limited to, reasonable attorneys' fees, auditors' and accountants' fees, court costs and all other reasonable expenses incurred in connection with such suit or claim including any appellate proceedings therein.

12.13.03 When a contributing Individual Employer has been assessed liquidated damages and interest for a period of two (2) late months during any twelve (12) consecutive month period, upon the occurrence of the second (2nd) assessment the Individual Employer will promptly be notified (with copies to the Local Union and the Employer) that if said Individual Employer becomes delinquent again and is assessed liquidated damages and interest during any of the succeeding twelve (12)-month period, he will be subject to the following rules:

- (b) The Individual Employer shall be required to provide the Trust Funds with a cash deposit or bond equal to the sum of the three (3) highest months' contributions made in the immediate preceding twelve (12)- month period, or such lesser sum as the Delinquency Committee deems appropriate.
- (c) The Individual Employer's due and delinquent date shall be the 15th day of the month.
- (d) Once these special rules have been applied to an Individual Employer, they shall remain in effect for at least twelve (12) months. At the end of this period, the Individual Employer may petition the Board to terminate these special rules and release the cash deposit or bond; this may be allowed only if the Individual Employer has been current in his reports and contributions for each and every month during the preceding twelve (12) - month period and the Board is otherwise satisfied that there will be no further delinquencies. The foregoing rules shall not actually be applied to any Individual Employer until the Delinquency Committee has been advised at a meeting that they have become applicable (or will become applicable if another delinquency occurs). The Delinquency Committee may then, upon its own motion or upon the Individual Employer's request, waive any of the above rules, in whole or in part, for reasonable cause.

12.13.04 The parties recognize and agree

- (a) that the references to fringe benefits in Sections 7071.5 and 7071.11 of the California Business and Professions Code include payments for fringe benefits and vacation and holiday pay as described in this Agreement and Trust Agreements creating each Trust;
- (b) that said payments are for the benefit of the Employees of each Individual Employer covered by this Agreement, and that the failure of an Individual Employer to make said payments, in the manner and at the time prescribed, causes damage to all Employees, including the Employees of the Individual Employer in default, in the amount of the unpaid fringe benefits and vacation and holiday pay as well as the liquidated damages established herein, interest, and any attorneys' and accountants' fees which the Union, the Trusts, or the Plan, or any of them, may incur with respect to said default;

Such amounts owing are to be determined by the Fund Manager of the various Funds. The Committee shall notify the Employer of any such arrangements which may be made.

12.14.02 If an Individual Employer fails to pay the delinquencies as determined by the Fund Manager in the time provided in 12.12.01, or fails to make other suitable arrangements for payment acceptable to the Union, it shall not be a violation of this Agreement so long as such delinquency continues, if the Union withdraws the Employees who are subject hereto from the performance of any work for such Individual Employer and such withdrawal for such period shall not be a strike or work stoppage within the terms of this Agreement. In the event that any Employees of any Individual Employer shall be withdrawn pursuant to any similar clause in any agreement between the Individual Employer and any other labor organization, then the Union may respect such withdrawal, and for the period thereof, may refuse to perform any work for such Individual Employer, and such refusal for such period shall not be a violation of this Agreement.

Such disputes will be settled by the Unions themselves, and if not settled then it shall be submitted to the International Presidents of the Unions involved in the dispute for determination and if not settled, the parties hereto agree that the dispute shall be submitted to the impartial Jurisdictional Disputes Arbitration Panel for settlement in accordance with the plan adopted by the Building Trades Department, AFL-CIO. - 23.02.00 Deduction of Taxes.** All taxes due from each Employee including taxes due by reason of payments under this Vacation and Holiday Pay Plan shall be deducted by each Employee's Individual Employer from each Employee's regular wages and such total tax deductions together with the amount payable under this Vacation and Holiday Pay Plan shall be separately noted on the Employee's paycheck.

EXHIBIT "A"
JOINT LABOR / MANAGEMENT
SUBSTANCE ABUSE POLICY

I. INTRODUCTION

The Union and the Employer establish this Policy in order to provide the Individual Employers with a comprehensive substance abuse program, to provide Employees who abuse and/or are addicted to drugs, including alcohol, a means to receive treatment for their abuse and/or addiction, and to provide for a safe workplace. An Individual Employer is not obligated by this Agreement to have a substance abuse policy. Implementation of this Policy is not mandatory by any Individual Employer, but this Policy is the only Policy the Individual Employer may implement for Employees. Once implemented, the Policy shall remain in effect unless otherwise agreed to by the Union and the Individual Employer.

An Individual Employer which is regulated by the United States Department of Transportation ("DOT") Code of Federal Regulations CFR 382 and 49 may elect not to implement the testing provisions of this Policy for its Employees who are not regulated by DOT.

II. NOTICE

- A. An Individual Employer must give written notice to the Union that it is implementing this Policy. The notice must be delivered in person or by certified mail or by Fax before it implements this Policy. A DOT regulated Individual Employer shall specifically notify the Union whether it is implementing the testing provisions of this Policy for its Employees who are not subject to DOT regulations. The notice shall be delivered to the Union at the following address:

Operating Engineers Local No. 3
1620 South Loop Road
Alameda, CA 94502
(Fax: [510] 748-7401)

- B. The Individual Employer may not implement this Policy unless it subjects all management and supervisory employees to the same type of testing provided herein.
- C. An Individual Employer who has implemented this Policy shall advise the Union dispatchers with whom it places an order for Employees that it intends to drug test dispatched Employees. A test result shall not be set aside because an Individual Employer does not give such notice.

- D. An Individual Employer who implements this Policy shall provide written notice of this Policy to all Employees including those dispatched to it by the Union and shall provide each Employee with a copy of the Policy.
- E. Failure to give a form of notice as set forth in this section shall make any drug testing engaged in by the Individual Employer a violation of the Master Agreement, and no results of any such test shall be relied upon to deny employment or pay or to discipline any Employee.

III. PURPOSE OF POLICY

- A. The Employer, Individual Employer(s) and the Union are committed to providing a safe and productive work environment for Employees. The Employer, Individual Employer(s) and the Union recognize the valuable resource we have in our Employees and recognize that the state of an Employee's health affects attitude, effort, and job performance. The parties recognize that substance abuse is a behavioral, medical and social problem that causes decreased efficiency and increased risk of accidents and injury. The Employer, Individual Employer(s) and the Union therefore adopt this Policy. The intent of the Policy is three fold:
 - 1. To maintain a safe, drug and alcohol free workplace;
 - 2. To maintain our work force at its maximum effectiveness; and
 - 3. To provide confidential referral to the Addiction Recovery Program ("ARP") and to provide confidential treatment to those Employees who recognize they have a substance abuse problem and voluntarily seek treatment for it.
- B. In order to achieve these purposes, it is our primary goal to identify those Employees and refer them to professional counseling, and treatment *before* job performance has become a disciplinary problem. Employees are urged to use the services available through ARP . ARP will assist them and refer them to the appropriate treatment program.
 - 1. Treatment for substance abuse and chemical dependency is provided under the Health and Welfare plan, up to the limits described in the plans.
 - 2. An Employee shall be granted necessary leave of absence for treatment ARP recommends contingent upon signing a return-to-work agreement as provided for in Section XI.

IV. EDUCATION PROGRAM

The Individual Employer will implement a comprehensive drug awareness and education program which shall be in conformance with the United States Department of Transportation (DOT) Regulations. The program shall include educating Employees and management/supervisory personnel about substance abuse and chemical dependency, the adverse effect they have on Employees and the Individual Employer, and the treatment available to Employees who abuse substances and/or are chemically dependent, and the penalties that may be imposed upon Employees who violate this Policy. The Individual Employer shall consult with ARP before it implements this policy so that ARP can provide education to the Individual Employer and its Employees. ARP shall continue to provide an educational program for the Individual Employers for their Employees and shall, to the maximum extent possible, train the Employees of all Individual Employers who implement this Policy.

V. CONFIDENTIALITY

The Individual Employer will abide by all applicable State and Federal laws and regulations regarding confidentiality of medical records in any matter related to this Policy. The Individual Employer shall designate one of its management, supervisory or confidential employees to be its custodian of records and contact person for all matters related to this Policy. All such records shall be kept in a locked file which shall be labeled "Confidential." Employee records related to this Policy shall not be kept in the Employee's personnel file.

All information from an Employee's drug and alcohol test is confidential for purposes other than determining whether this Policy has been violated. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Employee. The results of a positive drug test shall not be released until the results are confirmed. Every effort will be made to insure that all Employee issues relating to this policy will be discussed in private and actions taken will not be made known to anyone other than those directly involved in taking the action, or who are required to be involved in the disciplinary procedure.

VI. TESTING

Testing for the presence of alcohol or controlled substances and/or their by-products in one's body may only be performed under the conditions set forth herein. All testing shall be done in accordance with the standards established by the Substance Abuse and Mental Health Service Administration ("SAMHSA"), any successor agency, or any other agency of the federal government which has responsibility for establishing standards for drug testing. All such agencies shall be collectively referred to as "SAMHSA."

Chain of Custody: All SAMHSA standards for Chain of Custody will be adhered to. A specimen for which the SAMHSA standards are not complied with shall not be considered for any purpose under this Policy.

Laboratories: All laboratories which perform tests under this Policy shall be SAMHSA certified.

Testing Procedures and Protocols: All SAMHSA standards for testing standards and protocols shall be followed. All specimens which are determined to be positive by the SAMHSA approved screening test shall be subject to a SAMHSA certified confirmatory test (gas chromatography/mass spectrometry).

Second Test: The laboratory shall save a sufficient portion of each specimen in a manner approved by SAMHSA so that an Employee may have a second test performed. Immediately after the specimen is collected, it will be labeled and then initialed by the Employee and a witness. If the sample must be collected at a site other than the drug and/or alcohol testing laboratory, the specimen shall then be placed in a transportation container. The container shall be sealed in the Employee's presence and the Employee shall be asked to initial or sign the container. The container shall be sent to the designated testing laboratory on that day or the earliest business day by the fastest available method. Any Employee whose specimen is tested positive and who challenges a test result may have the second portion of the sample tested at his/her expense and at a laboratory agreed upon by the Employee and the MRO so long as that laboratory is SAMHSA certified. If the second test is negative, the Employee will be considered to have been tested negative.

Cut-Off Level: SAMHSA standards for cut-off levels will be complied with when applicable. The cut-off levels for both the screening test and the confirmatory test shall be per the Federal Standards as determined by the Department of Health and Human Services (DHHS). Only tests which are positive pursuant to the SAMHSA standards shall be reported to the Medical Review Officer as positive. A .04 blood/alcohol or above shall be considered to be positive.

Medical Review Officer: A Medical Review Officer ("MRO") shall verify all positive test results. The MRO must be a licensed physician. The MRO shall be a member of the American Society of Addictive Medicine ("ASAM") if available. If no ASAM members are available, the MRO shall be certified by the Medical Review Officer's Certification Council. The Union shall approve all MRO's. Upon verification of a positive test result, the MRO shall refer the affected Employee to ARP for assessment and referral to treatment, if appropriate.

Consent Form: Any Employee directed to submit to a test in accordance with this Policy will sign a consent and release form, a copy of which is attached hereto. (Form "A") The consent and release form will only authorize (1) the facility where the specimen is collected to collect the specimen, (2) the laboratory which performs the test to perform the test and to provide the results to the MRO, and, if negative, to the Individual Employer, and (3) the MRO to verify tests and report to the Individual Employer whether the test is positive or negative. The consent and release form shall notify the Employee that he/she may have a Union representative present if available.

The Employee may be disciplined if he/she refused to sign the authorization if the Individual Employer has advised the Employee (1) he/she must sign it or he/she will be disciplined up to and including termination, (2) the release is limited as provided herein, (3) the Employee has a right to consult with a Union representative before signing the release and before submitting to the test. An Employee who believes the Individual Employer is improperly directing him/her to submit to a test

may file a grievance under the Master Agreement, The test results will be disregarded if the Board of Adjustment or Arbitrator determines the Individual Employer was not authorized by this Policy to direct the Employee to submit to the test.

Substances to be Tested For: A specimen may be tested for alcohol, Cannabinoids (THC), barbiturates, opiates, cocaine, phencyclidines (PCP), amphetamines, and methaqualone or the by-products of these substances. A specimen shall not be tested for anything else. If DOT revises its list of substances for which it requires employers to test, this Section shall be revised to include those substances. The laboratory will report positive test results to the MRO. The MRO will verify whether the test is positive or negative. The MRO shall report to the Individual Employer whether the Employee tested positive or negative for one of these substances. The MRO will not identify the substance(s) for which the Employee tested positive unless specifically required to do so by DOT regulations.

Urine, Blood, or Breath Test: The Individual Employer may direct the Employee to submit to a urine test, or at the employee's request a blood test for alcohol and/or other drugs, or a breath test for alcohol. An Employee who is unable to provide a urine sample within one hour of being directed to do so, will submit to a blood test.

Notification to Employer of Test Results: The laboratory shall report negative test results to the Individual Employer. The laboratory will report positive test results to the MRO. The MRO will verify whether the test was positive or negative and will report the final results to the Individual Employer.

VII. TYPES OF PERMISSIVE TESTING

A. TIME OF DISPATCH TESTING

An Individual Employer may require an Employee to be tested for the presence in the Employee's body of one of the drugs or by-products thereof set forth above at the time the Employee is dispatched (on one (1) of the first three (3) day(s) of employment). It must test all Employees at the time they are dispatched if it tests any Employee. The Individual Employer shall put the Employee to work or pay the Employee pending the test results unless the Employee has been dispatched to a DOT regulated assignment and the Individual Employer does not have any work for the Employee to perform which is not subject to the DOT regulations or if it has probable cause to believe the Employee is impaired, intoxicated, or under the influence of a drug. The standards for probable cause are set forth below in Section B. If the Individual Employer does not allow an Employee to work pending the test results because it believes it has probable cause, it shall make the Employee whole for all lost wages and benefits if the Employee tests negative. Employees who test positive will be referred to ARP. The Individual Employer shall not be obligated to employ any such Employee after ARP releases the Employee to return to work but may employ such an Employee under the terms of a return-to-work agreement. An Employee who refuses to submit to a drug/alcohol test when dispatched shall not be paid show-up time.

Quick Tests

The parties agree to allow the employers to use, on an individual basis, an oral or urine quick test approved by the bargaining parties as an effective low-cost tool for substance abuse screening for pre-hire, time of dispatch screening only. Testing procedures shall be conducted in a manner consistent with the product manufacturers' specifications and shall utilize the oral screen OSR device, in an effort to produce the most consistent and accurate results possible. Dispatched members who fail this saliva test will be sent for standard urine testing. When the Individual Employer conducts the oral or urine quick test, a negative result may be accepted and the applicant may be put to work with no further testing required. A non-negative (inconclusive) result will subject the applicant to the Standard Procedures in the agreement.

An Individual Employer may test Employees who are recalled from layoff as provided for in the Job Placement Regulations who have not worked for thirty (30) days. If the Individual Employer tests any Employee who is recalled, it must test all such Employees. An Individual Employer may test all Employees at the time they are dispatched under this Section without testing those who are recalled.

Time of Dispatch Screening by the Job Placement Center. The parties shall establish a joint Committee to determine whether there is a feasible means by which the Job Placement Centers can conduct the drug/alcohol screen before dispatching an Employee so that only Employees with a negative test will be referred.

B. PROBABLE CAUSE TESTING

An Individual Employer may require an Employee to submit to a test as provided for in this Policy if it has probable cause that the Employee is impaired, intoxicated, and/or under the influence of a drug. Probable cause must be based on a trained management representative's (preferably not in the bargaining unit) objective observations and must be based upon abnormal coordination, appearance, behavior, absenteeism, speech or odor. The indicators shall be recognized and accepted symptoms of intoxication or impairment caused by drugs or alcohol and shall be indicators not reasonably explained as resulting from causes other than the use of such controlled substance and/or alcohol (such as, but not by way of limitation, fatigue, lack of sleep, side effects if proper use of prescription drugs, reaction to noxious fumes or smoke, etc.). Probable cause may not be established, and thus not a basis for testing, if it is based solely on the observations and reports of third parties. The trained management representative's observations and conclusions must be confirmed by another trained management representative. The grounds for probable cause must be documented by the use of an Incident Report Form (see Form "B" attached). The Management Representative shall give the Employee a completed copy of this Incident Report Form and shall give the Union Representative, if present, a copy of the Incident Form before the Employee is required to be tested. After being given a copy of the Incident Report Form, the Employee shall be allowed enough time to read the entire document and to understand the reasons for the test.

The Management Representative also shall provide the Employee with an opportunity to give an explanation of his/her condition, such as reaction to a prescribed drug, fatigue, lack of sleep, exposure to noxious fumes, reaction to over-the counter medication or illness. If available, the Union Representative shall be present during such explanation and shall be entitled to confer with the Employee before the explanation is required. If the Management Representative(s), after observing the Employee, and hearing any explanation, concludes that there is in fact probable cause to believe that the Employee is under the influence of, or impaired by, drugs or alcohol, the Employee may be ordered to submit to a drug test.

The Individual Employer shall advise the Employee of his/her right to consult with a union representative (including a Steward) and allow the Employee to consult with a Union representative before the Employee submits to the test, if the Union representative is available.

Employees required to submit to a test under Section B will be paid for all time related to the test including the time the Employee is transported to and from the collection site, all time spent at the collection site, and all time involved completing the consent and release form if the test results are negative.

C. ACCIDENT TESTING

An Individual Employer shall require Employees who are directly, or indirectly, involved in work related accidents involving property damage or bodily injury that requires medical care or work related accidents which would likely result in property damage or bodily injury be subject to a test as provided herein. The innocent victims of an accident will not be subject to a test unless probable cause exists. The Individual Employer shall complete an Incident Report Form (see Form B attached) whenever it tests an Employee under this section.

D. UNANNOUNCED RANDOM TESTING

An Individual Employer may initiate unannounced random testing, a selection process where affected Employees are selected for testing and each Employee has an equal chance of being selected for testing. If an Individual Employer initiates such testing, all Employees shall be subjected to such testing. The Individual Employer may establish two random testing pools, one for DOT regulated Employees and one for all others. An Individual Employer who initiates random testing shall specifically state in its notice to the Union and its notice to Employees that Employees will be subject to random testing. The Individual Employer shall give thirty (30) days notice to the Union and Employees prior to implementing a random drug testing program.

E. DOT REGULATED EMPLOYEES

Notwithstanding any other provision of this Policy, the Individual Employer may require its Employees who are covered by the Department of Transportation (DOT), Federal Highway

Administration drug and alcohol testing regulations to submit to testing as required by those regulations. Such testing will be conducted in strict accordance with the Regulations. The Individual Employer may discipline an Employee who tests positive as defined by the Regulations subject to Section XI, REHABILITATION/DISCIPLINE, of the policy. ARP shall be the Substance Abuse Professional for all Employees. ARP, to the maximum extent possible, shall provide the mandated training to all Employees. Employees who are subject to DOT regulations who have a positive "pre-employment" test (as defined by the DOT Regulations) will be paid show up time only if the individual employer does not have any work for the employee to perform which is not subject to the DOT regulations pending the test result. Employees who are tested under the DOT Regulations who are not allowed by those Regulations to continue to perform safety sensitive functions, as defined by the Regulations, shall be paid for hours worked.

E. OWNER / AWARING AGENCY REQUIREMENTS

Whenever owner or awarding agency specifications require the Individual Employer to provide a drug-free workplace, the Union and the Employer or the Individual Employer shall incorporate such additional requirements herein. This Policy shall apply to all such testing.

VIII. EMPLOYER REFERRALS

A decline in an Employee's job performance is often the first sign of a personal problem which may include substance abuse or chemical dependency. Supervisory personnel will be trained to identify signs of substance abuse, chemical dependency, and declining job performance. The Individual Employer may formally refer an Employee to ARP based upon documented declining job performance or other observations prior to testing under Paragraph VII and/or disciplining the Employee.

IX. EMPLOYEE VOLUNTARY SELF-HELP PROGRAM

An Employee who has a chemical dependency and/or abuses drugs and/or alcohol is encouraged to participate in an Employee Voluntary Self-Help Program. Any such Employee shall be referred to ARP. Employees who seek voluntary assistance for alcohol and/or substance abuse may not be disciplined for seeking such assistance. Request by Employees for such assistance shall remain confidential and shall not be revealed to other Employees or management personnel without the Employee's consent. ARP shall not disclose information on drug/alcohol use received from an Employee for any purpose or under any circumstances, unless specifically authorized in writing by the Employee.

The Individual Employer shall offer an Employee affected by alcohol or drug dependence an unpaid medical Leave of Absence for the purpose of enrolling and participating in a drug or alcohol rehabilitation program.

X. PROHIBITED ACTIVITIES/DISCIPLINE

An Employee shall not possess, use, provide, dispense, receive, sell, offer to sell, or manufacture alcohol and/or any controlled substances as defined by law or have any measurable amount of any such substance or by-product thereof as defined in Section VI while on the Individual Employer's property or jobsite and/or while working for the Individual Employer unless the Employee has the Individual Employer's express permission to do so. An Employee shall not work while impaired, intoxicated or under the influence of alcohol and/or any controlled substance. An Employee who uses medication prescribed by a physician will not violate these rules by using such medication as prescribed if the Employee's physician has released the Employee to work. An Employee who uses over-the-counter medication in accordance with the manufacturer's and/or doctor's recommendation shall not violate the rules by using such medication. The Individual Employer may prohibit an Employee who is impaired as a result of proper use of prescription or over-the-counter drugs from working while the Employee is impaired but may not discipline such Employee. An Employee who is impaired by misuse of prescription or over-the-counter medication violates the Policy and is subject to discipline as provided herein.

XI. REHABILITATION / DISCIPLINE

The Individual Employer may discipline an Employee who violates any provision of Section X. Such Employee is subject to disciplinary action up to and including termination. Among the factors to be considered in determining the appropriate disciplinary response are the nature and requirements of the Employee's work, length of employment, current job performance, the specific results of the test, and the history of past discipline.

The Individual Employer is not required to refer to ARP any Employee who violates any provision of Section X which prohibits the sale of, attempted sale of or manufacture of prohibited substances before it disciplines the Employee. The Individual Employer may not discipline any Employee who violates any other provisions of Section X until such Employee has been offered an opportunity to receive treatment and/or counseling.

Any Employee who fails to come forward to receive treatment and/or counseling prior to an accident, drug screen, for cause or random test shall not be eligible for the reemployment provisions of this Section XI.

Any Employee who comes forward to receive treatment and/or counseling prior to an accident, drug screen, for cause or random test shall be subject to reemployment as follows. The Employee will not be discharge if he/she agrees in writing to undergo the counseling/treatment ARP prescribes. The Individual Employer shall re-employ the Employee when ARP releases him/her to return to work if it has work available. It will not be required to lay-off any current Employee in order to re-employ the Employee. If it does not have any work available when ARP releases the Employee, it shall re-employ the Employee as soon as it has work available. The Employee will be subject to a return-to-work agreement. The Individual Employer, the Union, and the Employee will enter into a return-to-work agreement. The return-to-work agreement will require the Employee to comply with and

complete all treatment ARP, or the treatment provider, as the case may be, determines is appropriate. It will also provide for monitoring of the Employee's compliance with the treatment plan, ARP, or the treatment provider, develops and will allow the Individual Employer to require the Employee to submit to unannounced testing. The Individual Employer may discipline the Employee for not complying with the return-to-work agreement. A positive test on an unannounced test will be considered a violation of the return-to-work agreement. Any unannounced testing shall be performed in accordance with this Policy. The Union and the Individual Employer will attempt to meet with any Employee who violates the return-to-work agreement and attempt to persuade the Employee to comply with the return-to-work agreement.

This procedure shall be followed on a consistent basis. Employees who are working under a return-to-work agreement shall be subject to all of the Individual Employer's rules to the same extent as all other Employees are required to comply with them.

The parties agree to establish a Substance Abuse Testing Procedures Committee who shall be empowered to periodically review and update testing procedures. Either party may request a meeting under this section and such meeting shall be convened within 30 days.

XII. NON DISCRIMINATION

The Individual Employer shall not discriminate against any Employee who is receiving treatment for substance abuse and/or chemical dependency. All Employees who participate in ARP and/or are undergoing or have undergone treatment and rehabilitation pursuant to this Policy shall be subject to the same rules, working conditions, and discipline procedures in effect for all Employees. Employees cannot escape discipline for future infractions by participating in ARP and/or undergoing treatment and rehabilitation.

XIII. COST OF PROGRAM

Evaluation and treatment for substance abuse and chemical addiction are provided for through the Health and Welfare Plan. An Individual Employer who adopts this Policy will not incur any additional cost for assessment, referral and treatment beyond that which is incorporated into its health and welfare contribution rate. ARP is funded through the Health and Welfare Trust to provide its current level of service which includes performing assessments of Employees and their covered dependents, referral of Employees and covered dependents to treatment, monitoring of Employees and covered dependents who are undergoing rehabilitation and providing limited education and training programs to Individual Employers. The Individual Employer will pay all costs for testing.

XIV. GRIEVANCE PROCEDURE

All disputes concerning the interpretation or application of this Policy shall be subject to the grievance and arbitration procedures of the applicable Master Labor Agreement.

XV. SAVINGS CLAUSE

The establishment or operation of this Policy shall not curtail any right of any Employee found in any law, rule or regulation. Should any part of this Policy be determined contrary to law, such invalidation of that part or portion of this Policy shall not invalidate the remaining portions. In the event of such determination,, the collective bargaining parties will immediately bargain in good faith in an attempt to agree upon a provision in place of the invalidated portion.
